Director of Public Health, Madras.

S.No.1145-1.Mal, dated 12th June 1948.

Sir,

Sub: Malaria - Antimalaria Scheme - Puttur Taluk - South Kanara.

Ref: G.O.No.386-P.H., dated 10-2-1948.

The villages comprising the Puttur Taluk antimalarial scheme are mostly situated in intensely hilly country and many are within forest areas. The houses are scattered so widely that one has to trek on foot several miles to reach a small group of houses. The conditions in South Kanara District are far worse than in the areas covered by the scheme for antimalaria measures in New Settlers Colonies in Malabar District sanctioned in G.O.No. 1128 P.H. dated 8-4-48. In view of the arduous nature of the work and the difficulties experienced by the staff in the matter of touring and the lack of amenities and the risk they run in these highly malarious and out of the way hilly tracts, I request that Government may be pleased to sanction a special pay of 25 per cent of their pay to the staff employed in Puttur scheme as has been sanctioned in the case of Malabar District New Settler's Colonies scheme.

I have see the letter from the D.P.H at pag 1 c/f. It is stated that the villages comprising the Puttur Taluk (South Kanara Dt) anti-malaria Scheme are mostly situated in intensely hill country, and many of them are in forest areas and that as houses are widely scattered one has to trek on foot several miles to reach a small group of houses. It is also stated that the conditions in South Kanara District are worse than in the areas covered by the scheme for anti-malaria measures in new Settlers' colonies in Malabar District sanctioned in Govt no 1128 P. H dated 8.4.48. In view of the arduous nature of the work and the difficulties experienced by the staff in the matter of touring and the lack of amenities and the risk they run in these highly malarious and out of the way hilly tracts, the D.P.H recommends the payment to the anti-malaria staff of the Puttur scheme of a special pay at 25 per cent of their pay as has been sanctioned to the staff in the case of the Malabar Dt new settlers' colonies A.M. scheme. The D.P.H's proposal is reasonable and it may be accepted. The cost involved in the proposal is roughly Rs 2900/ recurring.
